## App Profile

Explore and navigate the world with confidence using Google Maps. Find the best routes with live traffic data and real-time GPS navigation for driving, walking, cycling, and public transport. Discover over 250 million businesses and places - from restaurants and shops to everyday essentials - with photos, reviews, and helpful information.

Navigate the world, the way you want:

- Get to where you need to go with fuel-efficient route options
- Find the best route with real-time, turn-by-turn voice, and on screen navigation
- Save time with automatic rerouting based on live traffic, incidents, and road closures
- Catch the bus, train, and ride-share effortlessly, with real-time updates
- Find bike or scooter rentals to get around more easily

Plan trips and experiences effortlessly:

- Preview an area before you go (e.g. parking, entrances) with Street View
- Use Immersive View to experience what landmarks, parks and routes look like, and even check the weather so you can be ready in advance
- Create custom lists of your favorite saved places and share with others
- Order delivery and takeout, make reservations, and book hotels
- Don't get lost with offline maps in an area with bad signal
- Search for local places and things to do, and decide based on user reviews and photos

Discover and explore like a local:

- Explore with confidence knowing 500 million users contribute and keep the map up to date each year
- Avoid the crowds by seeing how busy a place is before you get there
- Use Lens in Maps to see walking directions overlaid on the real world
- Filter restaurants by cuisine, hours, price, rating and more
- Ask questions about a place, from dishes to parking, and get quick answers

Add tiles and complications to your Wear OS device to quickly search and navigate.
